

Dear Parents/Carers

We would like to celebrate the Queen's platinum jubilee this year by holding a garden party at Lavender Farm. We are going to set up a 'street party' in Haybarn's garden where the children will join together and enjoy some party food. This will take place on Wednesday 25th May 2022. We are asking parents to send in a labelled party plate of food with enough for your child only.

We will also be doing some activities at nursery in the children's rooms, learning about the queen and her family and taking part in different crafts. We are asking parents to provide a plain white t-shirt for your child to decorate at nursery, they can then wear this t-shirt to the party along with their crowns or hats that they will be able to make the week before.

As a little competition for the children to take part in, we are asking children to make a birthday card at home for the Queen. If you could then send their card in by Wednesday 4th May a winner out of each room will be chosen to send their card to the Queen.

If you have any questions regarding any of the details above please let us know.

Kind regards,

Lavender Farm Nursery
